### Member Information and Guild Activities

There are many opportunities to *serve* the Guild based upon your interests and skills. Please review the items below and check any committees and activities you would be willing to *help* with. Participation is a great way to meet other members of the Guild. Please also list your level of skill, the areas of quilting you enjoy most, and any activities, workshops, or programs you would like to see the Guild provide. Help make this next Guild year one of the best with your input and participation.
